

Cutting with Care Volunteer Application

NeighborWorks NEPA partnered with Leadership Lackawanna to create a volunteer program that is aimed at providing grass cutting and lawn care services to older adults in Lackawanna County. Volunteers help ease one of the many laborious tasks that comes with the spring and summer season by mowing the lawns of older adults in their community. The service is done at no cost to the homeowner. Volunteers are matched with clients based on residential location and will attempt to be kept within a short distance of their address. If you are interested in volunteering, please fill out the below application and you will be contacted with further instructions! Applications will be accepted on a rolling basis until May 15th. Any questions or concerns, please contact Alyssa Espinoza at aespinoza@nwnepa.org.
